Correct Vocal Quiz

begin reading pg 191-196

Quiz:

For all the terms you missed list them in the book or your notes and write out the definitions on a separate sheet. Remember to include which number it was on the test.

Read:

Pg 191 (Types of Muscles) to Pg 196 (Naming Skeletal Muscles)

Write a summary in your own words showing you understand the reading.

Summary: Read pg 191 starting at Types of Muscle through pg 196 Naming skeletal muscles. Write a paragraph or out the reading to show that you understand the concepts for homework.
