(For additional hours that won't fit in the table above, please list them on the back of this form.)

Total Hours: _____

Requirements:

All students at Nuview Bridge Early College High School are required to complete 120 hours of community service hours by the time they graduate from high school. Students may complete the hours at their own pace, but it is recommended that students complete at least 15 hours per semester to stay on track. Students may also complete all their hours early to allow more time for college classes during their junior and senior years. Community service hours are due to your AVID teacher before the last day of the grading period.

Examples of Community Service:

Any activity that is a non-paid volunteer activity counts for community service hours. Some examples of community service include mentoring, volunteering at church, community clean-up, volunteering at the public library, tutoring elementary school children, cleaning up the campus, assisting teachers after school hours, assisting with special events, etc. Doing chores for family or babysitting does not count for community service hours.

By signing below, I certify that the activities and hours listed above are legitimate and accurate.
